

Mr. Charles A. Bolz  
Vice President  
Engineering & General Services  
Central Hudson Gas & Electric Corp  
Poughkeepsie, New York 12602

Dear Mr. Bolz:

This is to acknowledge receipt of your letter of March 17, 1971, informing us of the class location and stress level of your pipelines.

There is no requirement that review pursuant to 49 CFR, Section 192.607(a) be filed with this office.

Since your lines are all operating below 40% SMYS no further action under this Section of the regulation is required on your part.

You may desire to communicate with the New York State Public Service Commission, 44 Holland Avenue, Albany, New York 12208, to determine if it has other requirements.

Sincerely,

/signed/

Joseph C. Caldwell  
Acting Director  
Office of Pipeline Safety
