Notice to Customers Making Payment by Check

If you send us a check, it will be converted into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually occur within 24 hours, and will be shown on your regular account statement.

You will not receive your original check back. We will destroy your original check, but we will keep the copy of it. If the EFT cannot be processed for technical reasons, you authorize us to process the copy in place of your original check. If the EFT cannot be completed because of insufficient funds, we may try to make the transfer up to 2 times.

Registration Fee Table

As Amended by the Final Rule of April 19, 2013

The current registration fees were established in a Final Rule published in the Federal Register on April 19, 2013. This rule lowered the fees for registration year 2013-2014. The fees for registration years between 1992-1993 and 2012-2013, and for 2014-2015 and following, remain as previously established. The fees for registration periods affected by this rule are printed in bold type in this table.

One, two, or three year periods of registration are permitted for years beginning July 1, 2000, and later. The fees for all possible registration periods and business types are listed in this table. All fees include the appropriate processing fee.

Not-for-profit Organizations:

- Beginning with the 2003-2004 registration year, all not-for-profit organizations pay the same fee as a small business, regardless of the size of the organization.
- For the 2000-2001, 2001-2002, and 2002-2003 registration years, the amount of the fee for a not-for-profit organization depends on the business size. For registration periods including these years, use the columns headed "Small Business Non-Profit" or "Not-Small Business Non-Profit".
